**EASi Picks BDO Seidman as First Accounting Firm to Support Its Expert
Financial Reporting & Reconciliation Service**

Firm to Provide Accounting Support to EASi Customers

PLEASANTON, Calif., Oct. 28 /PRNewswire/ -- Equity Administration Solutions, Inc. (EASi), the leading independent stock plan management software company, today announced that it has enlisted BDO Seidman, LLP as one of the accounting firms that will provide customers of its new Expert Financial Reporting & Reconciliation Service with FAS accounting guidance and support.

BDO Seidman, LLP is a national professional services firm providing assurance, tax, financial advisory and consulting services to a wide range of publicly traded and privately held companies. BDO Seidman serves clients through 37 offices and more than 400 independent alliance firm locations nationwide.

"We have a strong working relationship with BDO Seidman and tremendous respect for their professionalism and capabilities," said Michael Guerra, Senior Vice President of Business Development for EASi. "We know our customers will appreciate the caliber of support that this firm can provide." FAS accounting support needs will be determined on a quarterly basis. Accountants from BDO will also review reports for companies relying on EASi's Reporting & Reconciliation service before they are delivered to customers.

EASi has relationships with several other well-known accounting firms and independent accounting professionals that will also be called upon to provide customers with accounting support.
